## Braford Journal

The annual Braford Journal is coming together, thanks to Jackie Amor and her team of contributors. Please ensure that any outstanding reports are forwarded ASAP. Advertising copy is due at Chinchilla News tomorrow, Friday 4th November.

## Administration

I have taken over the role as Secretary and I look forward to dealing with you in the future, whether by phone, email or in person.

I have always been involved in the industry — from a childhood in the Hunter Valley before studying Rural Science; then 13 years in the northern pastoral industry, including a Brahman stud; a stint in the Droughtmaster Society office; mixed farming in Central West NSW; and running commercial cattle in southern Qld. Now I'm happily settled at Milman (north of Rockhampton) growing out weaners.

I'm still playing catch-up in the office but I hope to have things under control soon. Please feel free to contact me if you have any queries.

*Office hours: 9 am – 2 pm*

### Membership fees

*Membership invoices have been issued a little late this year, so prompt payment would be appreciated.*

### Are your contact details current?

Please let me know if any of your contact details require updating. Some email addresses are not responding, so if you're not receiving emails but would prefer to, please advise the office. Likewise, if you prefer not to receive correspondence by email, inform me.

*Regards, Anne*

### \$ Banking details \$

If paying accounts by EFT the new Westpac bank account details are:
