

New Dimension Braford Sale Report

The New Dimension Braford Bull & Female Sale was held on the 27th of August at Jimbour Station, located on the North Eastern fringe of the Darling Downs in Qld.

Despite the wet and rainy conditions, the sale was very well attended and vendors were more than happy with 86% clearance. Bulls topped at \$14,000 and registered females to \$2700. Buyers travelled from as far south as Binnaway and Boggabri in NSW, Dirranbandi and St George, Biloela and the Sunshine Coast in Qld.

Top priced bull, 'Carinya' Morley, sold to repeat buyer Ray Kidd "Cashmere" St George Q, for \$14,000. Morley is by Carinya Irwin and a grandson of renowned sire Carinya Endeavour. At 20 months of age he weighed 782kg / P8 15 / Rib 10 / EMA 128 sq cm / IMF 4.6.

He turns over between four to five hundred head through feedlots and chooses Brafords for their high level of fertility and the ability to produce steers ideally suited to feedlot requirements.

Strong interest in females led to a 97% clearance with prices reaching \$2700 for a 19 month old heifer, Carinya 2302(P) by Carinya Indigo, sold to Braford Society President, Warren Wilson, 'Taroela Braford Stud' Mitchell Q.
