

STUD CATTLE JUDGING

from Beef 2006

Stud cattle judging was a real spectacle with our noticeable red shirts everywhere. It was the largest showing of braford's we have ever put together which made it a memorable event for all braford enthusiasts from Australia and for the many international visitors present.

Our judge was David Bondfield from 'Palgrove' Stanthorpe, and our associate was Hannah Graving from 'Moscow' Biloela. Our stewards were Jodi Hamilton Casino, David and Mary Osborne Alton Downs and Donna Clark Moura. This whole team kept the day active and interesting. Most classes had over 10 entries while the older bull class of 24 to 30 months had 15 competing.

There were 36 exhibitors and amongst these were 3 that took out the 6 Champions. The Bourke family showed Calf Champion male, Burradoo Independence and Calf Champion female, Burradoo 1275, while the Lill family showed the Junior Champion Bull, Chadwick Downs Sensation and Senior Champion cow, Chadwick Downs Goldfrapp who went on to win Grand Champion Female. The Galloways won Junior Champion Female with Ascot Marion and Senior and Grand Champion Bull with Ascot Bundy. The Interbreed Competition saw the 28 breeds represented battled it out under judge Brett Nobbs, it was a memorable spectacle under lights and both Braford Grand Champions were selected into the top 10 animals.
